Announcements

Meal Train: The Reid family welcomed, Ellie, a healthy baby girl this past week, if you would like to bless them with a meal you can consider one of the following options. Because of the considerable distance to their home, we would like to provide some freezer meals and restaurant gift cards. You can bring a freezer meal for the Reids to church these next few Sundays. If you have questions please contact Nicole Segerstrom.

Audio/Video Team: Are you looking for a way to serve the church here without having to get up on stage? With our new audio/video updates, we have a need for more volunteers to help us with sound, slides, and livestream. Lord willing, our new system will be installed the week of August 25-29, and we will have on site training on the new system on Friday, August 29. If you are interested in serving on the audio/video team, please contact Curt to get more information.
