Announcements

Ladies Retreat: Carlisle ladies, you're invited to Ladies Renew Conference at Iowa Regular Baptist Camp, September 5-6! There will be a group of ladies leaving Friday morning for pre-retreat fun and also a group riding together later Friday afternoon.

Audio/Video Team: Are you looking for a way to serve the church here without having to get up on stage? With our new audio/video updates, we have a need for more volunteers to help us with sound, slides, and livestream. Lord willing, our new system will be installed the week of August 25-29, and we will have on site training on the new system on Friday, August 29 at 5:30pm. If you are interested in serving on the audio/video team, please reply to this email or find Curt on Sunday to get more information.

We also want to use this project to encourage new members to join our music team! If you have a desire to serve with an instrument or vocals, please plan on joining us Wednesday, September 3 at 6:30pm as we work with our audio/video team to learn the new system, work on our new songs for the fall, and receive valuable training.
